## THE BIBLE: AN EXTRAORDINARY BOOK

BY DR. PHILIP TOGUN

Why should we believe the Bible? Is it not just like any other book? Is it relevant to us today? Consider the origin of this amazing Book. It took 1,600 years to write it. The writers lived on three continents – Africa, Asia and Europe, and they wrote in three languages – Hebrew, Greek and Aramaic. Over such a long period, many of them, obviously, did not know about the existence of many of the other writers.

They came from different walks of life – kings, prophets, farmers, shepherds,

physician, et cetera.

Despite the long time it took to write it, and the fact that they wrote in different languages and lived in different cultures, they wrote about the same thing – a loving, just and holy God reaching out to a sinful world, eventually sending His only begotten Son to pay the penalty for our sins, thus offering us eternal life.

In 1994, in New York City, I gave a coworker a Bible as a birthday present. Over the years, we lost contact. On September 5, 2002, her birthday, I called her to wish her a happy birthday. On hearing my voice, her first statement was: “I am now a Christian, and I want to thank you for giving me that Bible as a birthday present”.

**In John 6:63 Jesus said: “The words that I speak to you, they are spirit and they are life”.** The Bible is the living word of God. As someone rightfully said: “Many books can inform, only the Bible can transform”.

**READ THE BOOK!**

# LOVING GOD

BY PASTOR KIKELOMO TOGUN

The very nature of God is love. The Bible says that if we claim to love God and hate our neighbor, we are lying, and the truth is not in us. I am going to discuss how we can walk in love towards God and our neighbors. What is love? Love means to have a strong affection for someone. There are different kinds of love. The God-kind of love is known as Agape, i.e. Unconditional love.

**Deuteronomy 6:5 states: You shall love the Lord your God with all your heart, with all your soul and with all your strength.** To love God means loving Him with all your heart i.e. wholeheartedly. It means:

**1. Talking about Him most of the time.** When you love someone, you want to talk about him or her. You have their photo in your wallet, locket, home, office. My home and office are full of scripture and the cross. So, talk about Jesus most of the time!

**2. It also means putting God first in everything.** He should be number 1 in our lives. He is a Jealous God. It's God first, family second, church or ministry third.

**3. It means obeying Him;** this is very

important. If you truly love Him, you will want to please Him and not break His heart. You will want to obey His Commandments. You will love what He loves and hate what He hates (SIN). You don't want to grieve Him by your disobedience. If you say you love God and yet live in disobedience to His word, you are deceiving yourself.

**John 14:15 states: "If you love Me, keep My commandments."** If you want to have a close relationship with God, then obey His word, and if you sin, quickly ask Him for forgiveness and forsake your sin. To obey is better than sacrifice. Learn to serve God, serve Him wholeheartedly. When we get to heaven, He is going to welcome us and say, "Thank you, faithful servant", and put a crown of righteousness on our heads.

**4. It means fellowshiping with Him and wanting to be in His presence as often as possible.** If you love someone, you want to spend time with him or her; you are happy when with them, and unhappy when separated from them. So, if you love God, you want to spend time with Him. Christianity is a personal relationship with God the Father, God the Son, and God the Holy Spirit. Have a strong relationship with God and it shall be well with you. **Psalm 122:1 states: "I was glad when they said to me, let us go into the house of the Lord"**.
