WHAT IF YOUR HEART STOPS?

BY DR. PHILIP ADEMOLA TOGUN

(I saw this write-up in my elder sister's funeral program. I hope it touches all who read it.)

WHAT IF YOUR HEART STOPS?

What a dependable little organ the human heart is! Everyday, this little engine keeps pumping non-stop. And it continues even when we sleep. The heart never asks for a vacation. It works best when treated well but continues to serve when working conditions are stressful. How much we need the heart! If one eye is blind, we can still see with the other. If one ear is deaf, we can hear with the other. If we lose a leg, we can still walk with a crutch. But we only have one heart.

WHILE WE LIVE

Our "pumping machine" is about the size of one's fist and weighs just a little more than half a pound. It beats about 70 times a minute, 4,200 times in an hour, 100,800 times a day, and 36,762,000 times a year. The heart of a 70-year-old person has beaten over 2.5 billion times. The heart generates enough energy in 50 years to lift a battleship out of the water. In the average lifetime, it pumps enough blood to fill 3.3 super tankers. According to one encyclopedia, the heart pumps through about 12,000 miles of blood vessels in the human body. That is about the distance from San Francisco, California to Nairobi, Kenya, or halfway around the world. Although this organ, which keeps our blood constantly circulating, can be weakened by disease and abuse, it generally gives excellent, ceaseless service for many years before it finally stops. When that happens....we die.

WHEN WE DIE

This brings us to a very personal but important question: If your heart should stop five minutes from now, would you go to heaven or hell? I hope you can say the following with assurance: "Yes, I know that when I die, I will go to heaven. I have turned to God in repentance and received Jesus Christ as my personal Savior. I have put my trust in His precious blood shed on Calvary's cross to atone for my sins. In doing so I have received the gift of God, which is eternal life. So, I know I will go to heaven if I die".

But maybe all you will say is this: "No, I do not know where I will go after my heart stops, but I would really like to know for sure ". If this is the case, read on. The Bible says that "All have sinned and fall short of the glory of God" (Romans 3:23), The word "all" includes you and me. In fact, it includes everybody. But the Bible says that "Christ died for our sins" - yours and mine (1 Corinthians 15:3).

WHAT TO DO

To receive God's free gift of salvation, the Bible says we must trust Jesus as our personal Savior: As many as received Him, to them He gave the right to become children of God, to those who believe in His name" (John 1:12). Here's how to receive Jesus Christ as your Savior: Ask Him to come into your life, to take away your sins, and to help you live for Him. Do this now, and should your heart stop in five minutes, you will know where you will spend eternity - in heaven!

*"The
sacrifice that
honors me is
a thankful
heart."
~ Psalm 50:23*

A CALL TO REPENTANCE

BY PASTOR KIKELOMO TOGUN

What is repentance? Repentance is turning away from sin and turning to Jesus. It means a recognition of your sin and having a godly sorrow for your sin – that is genuine repentance. So, repentance means to have a change of mind, a change of conduct, a change of heart and a change of direction and behavior – you turn from sin to God; there is a genuine change of heart.

Today, many preachers preach salvation without genuine repentance, a situation when people keep going back to their sinful ways. We know that the ministries of Jesus Christ, John the Baptist and the Apostles emphasized repentance. And Jesus commissioned us to preach repentance for the remission of sins. But the gospel of salvation without repentance is common today. Many preach that you can continue to live in sin and still claim to be saved. Today preachers rarely preach about sin, not to talk about repentance.

Repentance is missing in many messages – all we hear is prosperity gospel or motivational talk. They say we are saved by the grace of God, true, but Paul reminds us in Romans 6:2, “Shall we continue in sin that grace may abound? God forbid!”. When we confess our sins, we are agreeing with God about His viewpoint on sin. It means we are seeing sin as God sees it. Sin is disobedience to the Word of God, but grace is God’s forgiveness for those who have sinned against Him. Grace is not a license to sin. In Matthew 9:13b, Jesus said He had come to call sinners to repentance. So, the main purpose of the gospel is to call sinners to repentance. Unless you genuinely repent of your sins, you will perish in your sins.
